

GET STARTED WITH THE *Transit App*

1

Download the Transit app on your smartphone.

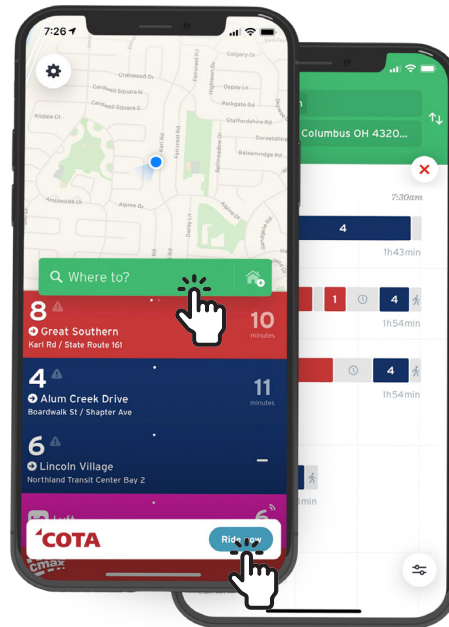

2

Click BUY on the Transit app's home screen and follow the prompts to create your COTA account. Don't worry about adding a payment method.

SCAN AND *Go*

1

To plan your trip, open the Transit app and **enter your destination**.

2

Head to your stop with your phone ready. Make sure your brightness is turned up.

3

Select **RIDE NOW** at the bottom of the Transit app home screen. You won't see a balance.

4

Scan the QR code on the validator on your right, next to the front windshield.
